

**GERMANTEN
HOSPITALS**

TRANSFORMING
SPORTS INJURIES
WITH ADVANCED

ARTHROSCOPY AND NANOSCOPY

Germanten Hospitals brings you the most advanced arthroscopy and nanoscopy operation suites, powered by German precision equipment for minimally invasive keyhole surgeries. Whether it's ACL, PCL, or complex ligament reconstruction, we deliver faster recovery, minimal scars, and unmatched results all under the expert supervision of Dr. Mir Jawad Zar Khan, Senior Orthopedic Surgeon and Managing Director

Dr. Golla Pavan Kumar, an experienced Orthopedic Surgeon, he specializes in sports injuries and arthroscopic surgeries. He has undergone advanced training in Joint Replacement (FIJR) and Arthroscopy Surgery (FISS, France), gaining international exposure and expertise that reflect in his surgical outcomes and patient care standards. He combines advanced techniques with compassionate care to restore mobility and get you back to the life you love.
